Press and Let God Do the Rest

Bio

*You never fail
unless you decide
to stop moving
forward.*

Felicia Pressley-Melvin, a woman of character who believes that even when life begins to rage and yield difficult obstacles, you never fail unless you decide to stop moving forward.

A walking testimony, Felicia was born in 1978 in the historical city of Laurinburg, North Carolina. As a wife, mother, and supporting child, she obtained a North Carolina Cosmetology degree and a North Carolina Insurance license. She also studied business management with a focus on entrepreneurship.

Her life of overcoming adversity through God's power inspired her to encourage others through the books *Press and Let God Do the Rest*, *Broken So I Can Live*, and *Peace in the Presence* (December 2021).

She is devoted to her husband and her four beautiful children and enjoys painting and flying kites in her downtime.

Speaking Topics

Wake Up! God Has An Anointing For You

Answer the "What, When, Where, Why, and How" questions about your purpose in life. Until you understand the sphere of your mandate from God, you will continue to be in a state of confusion as to your identity in the Body of Christ. What God has chosen you to conquer, He has anointed you to accomplish. Your anointing carries your hurts, pains, and persecutions. This talk will help people to get out of their feelings, accept their anointing, and take their place in the Body of Christ.

Heal Your Spiritual Heart Attack

When you allow the things of this world to get your mind off Christ, you are subject to experiencing spiritual heart attack symptoms that parallel a physical heart attack. Spiritual heart attacks are just as dangerous as physical ones. The healing process starts with creating the heart that Ezekiel 36:26-27 mentions: a new heart. This new heart comes about by letting the word of God penetrate your heart; repenting of sin in your life; and truly worshipping God.

Don't Get Mad At God

Zero tithes, zero offerings, no faith, and you want a whole miracle? Jokes on you. Has God cut you off? His Word says that He will never leave you. But you can stray from Him, even when you think you're not. God dwells where He is welcomed, worshipped, and honored. To stay on God's life support, expand your mind, ask God for short- and long-term goals, increase your prayer and reading time, celebrate that you are maintaining your tie to God, and finally repeat the process.

My Message

We Are Women Of Warfare

We are women of warfare. This means we are equipped with an anointing and power from God. So why do we allow ourselves to become human trashcans? We've taken that trash for free. We don't even charge for it. We lose our peace because we decide to be a human trashcans. Let's change that starting now.
